The Feeble-Minded Reformers who are advocating the Initiative and Referendum are shouting loudly for "pop ular government" as against "delegated government." Well, give us delegated government every day in the "Popular government," urged by the reformers mean mob government and the tyrannical rule of an unthinking majority. George Washington, Thomas Jefferson, Andrew Jackson and Abraham Lincoln fought for delegated government and believed in it. Delegated government protected honest and respectable minorities in their civil and religious rights under the Initiative and Referendum lunacy the country would have a State Church and the minority would have to put up for it. If the Initiative and Referendum goes through as some so-called personal liberty adherents are hoping, every saloon in Illinois will be closed and people wanting a drink will have to take a train for some state where there is delegated government.

The Republicans have nominated 96 and the Democrats 83 men for the lower house of the legislature. The only party to name three men in one district was the Democratic in the Twenty-Seventh district.

President Busse of the County Board wants the City Club to audit his accounts.

That rotten ordinance providing for the consolidation of the Chicago Railways Company and the Consolidated Traction Company, which was introduced into the city council at a special meeting Monday, cannot be acted upon by that body until it reconvenes after the summer vacation on the night of Oct. 3.

This was the declaration of City Clerk Francis D. Connery.

'Under the state statute any committee report must be published and referred to the next regular meeting of the council," said Mr. Connery. "As the next regular meeting will not be until Oct. 3, the ordinance cannot be legally passed or considered before that time."

It had been planned to call another special meeting at which session the ordinance was to be called up for

After Alderman Egan's motion to Charles H. Mitchell, 6700 Perry ave. refer the ordinance back had been overruled by Mayor Busse, Alderman Edward T. Wade, 5234 Michigan ave. Cullerton declared that in his opinion the whole matter should go over for Philip J. McKenna, 6832 Sheridan four children. His home is at 5002 a long time in order to give the mem-

The Hamilton Club will do itself | bers of the council a chance to "investigate this rotten deal." "Individually and collectively," said Alderman Cullerton, "the members of this council are trustees for the people under the traction ordinances. This ordinance is one that stinks in the nostrils of the people, and I, for one, think that the fullest investigation should be made by this council before it takes final action."

Alderman Cullerton referred to Bion J. Arnold's connection with the making of the appraisement of the Consolidated company's properties, and said that in Detroit, where Mr. Ar-Missouri, Governor Vessey of South | nold was employed to make an ap-Dakota and Governor Davidson of praisement of the values of street railway properties, he had brought in The Hamilton Club committee on a valuation 100 per cent higher than aph did a committee appointed by the mayor of that city.

In addition to Egan and Cullerton, other aldermen, after the meeting, exobtain the picture, which was taken in pressed themselves as intensely opposed to the measure. Among these are Utpatel and Bellfuss of the Fifteenth ward, Bauler of the Twentysecond and McDermott of the Twenty-

> The "Corrupt Practices Act," so called, is an insult to the good sense and civic virtue of a community. It is the child of a lot of notoriety seek ing reformers, some of whom are try ing to live down shady pasts.

The "Corrupt Practices Act" of Oregon is cited as an example. It prohibits candidates from buying s drink for a voter or giving him a ride in a carriage but it does not prohibit legislatures from selling out to corporations.

The laws of Illinois provide for the punishment of corrupt practices al ready. If these laws are enforced the platform of the recent Peoria confer ence of Feeble-Minded Reformers will become a laughing stock.
